## Lively-Bilbo nuptials exchanged on Saturday

Miss Jewel Elizabeth Bilbo, daughter of Mrs. William E. Bilbo and the late Mr. Bilbo, became the bride of Kenneth Anthony Lively, son of Mr. and Mrs. Edgar Lively of Pass Christian, at a double ring ceremony at 11 a.m. Saturday, at Our Lady of the Gulf Catholic Church. Rev. Gerard W. Poche of St. Theresa's Parish, New Orleans, heard the vows before the main altar decorated with white gladioli and pompon chrysanthemums.

The bride, given in marriage by her brother, Larry Bilbo, wore a traditional length bridal gown of silk organza over tulle with scalloped neckline outlined with ne-embroidered Chantilly lace, long sleeves of the same lace, fitted bodice and very full skirt featuring appliques of seed pearls on lace. Her veil of illusion fell from a beaded tiara. She carried an old-fashioned carnation bouquet.

Miss Belva Jean Bilbo was her sister's maid of honor. Miss Ruby Jo Lively, sister of the groom, was bridesmaid. They wore identical dresses of hibiscus velvet with scoop necklines, three-quarter length sleeves, full skirts with matching headpieces and slippers, and carried bronze

pompoms fitted over miscalls. Marion Marquez was best man, Larry Starita was groomsmen. Ushers were George Anderson and Everett Kergosien.

The parish hall was decorated with white pompoms and ferns for the reception. The main table was covered with the four-tiered wedding cake flanked with white candles in crystal candleholders and arrangements of white blossoms. Mrs. Bilbo received in a green and black dress with black accessories. Mrs. Lively wore a Chinese red silk with red accessories. Both wore white carnation corsages.

For travelling to a Destin, Fla., honeymoon, Mrs. Lively wore an olive green fall suit,

BY MRS. MALCOLM GREEN

NO 7-3014

Before entering Mississippi, Southern, Eddie Horton, former Gulfview student, and his mom, Grace, enjoyed a vacation in Panama City, Fla. The beaches were not overcrowded and perfect weather prevailed the whole time.

Mrs. Lillian McCarty had another round of major surgery this past Tuesday, and is beginning to look like her old self again. Her two sisters, Mrs. Margaret Sebena, and Rita Percle, have been taking turns giving Lillian excellent nursing care.

A very happy birthday to a very nice young lady, Miss Peggy Morris, 6th grade Gulfview student, who was 13 on Friday.

If a poll were taken right now to find the most popular deputy on Sheriff Prices' force, Donald Marquez would easily win. If the high school students' on Betty Green's bus were allowed to vote, Thursday, Kathleen McInnis narrowly escaped serious injury when an impatient out of state motorist decided he couldn't wait for the bus to unload, and pulled out, sideswiping one car and mowing Kathleen by inches. Donald was back of the bus and dodged the culprit driver.

Now about our sick friends in a little more cheerful this week. Mrs. Mary LaFontaine is home from Sara Mayo in New Orleans. Mrs. Clarence Resurrection is at home after a short stay in Hancock General. Uncle Albert Favre, Jr., has also been released for a rest at home. Mrs. Sidonia Lendich, mother of William, is once again at home. Mrs. Julia Nacaise is still in the local hospital getting along

braven and green print blouse and brown accessories. The young couple will be at home at 920 N. Carrollton Ave., New Orleans. Misses Joyce Apocala and Jackie Keller of New Orleans and Mr. and Mrs. Walter Shiyon of Gulfport were among out-of-town guests.

fine. Her roommates, Mrs. Clemmie Mercutio, in recovering from an infection caused when a dog scratched her. Little Lisa Bordage, daughter of Lionel and Grace, was also hospitalized this past week.

Sunday I took Irene, Louise and Sandy and our guest, August Percle, up to the Kila horse show for the benefit of the new Annunciation Church School. Never saw so many horses at one time. The turnout was most gratifying and at this rate the school may open next year with the lower grades.

Mr. and Mrs. George Lendich had an Oren, home for the week-end from the Naval Base at Kingsman, Texas.

On Sunday Oct. 28 there will be a benefit horse show at White Cypress for the Youth Center there. There will be 18 different events and B. A. Deck of Lyman, will be the judge. Starting time is 11 a.m. Admission fees are adults \$1, children 50 cents and riders on horses free. Betty Youngers Rebel Riders will be a highlight of this event.

Bob Wheeler Bay High student, in back in school after being out due to illness. Bob, a former resident of Vincennes, Ind., has taken to our way of life like a duck takes to water, and has bought a beautiful black filly named Blaze.

Mr. and Mrs. Jerry Carco and son, Boone, had as their guest Sunday, Mrs. Carco's grandson, Elmo, from Gulfport.

Happy Anniversary greetings to John and Dot Westmore, their 29th, but you'd never think they have been married that long, they are such "love birds".

## Primary class has promotion party

Mrs. Joseph Daly, Robert Appert and William Olson underwrote the primary class of Woodland First Baptist Church with a promotion party last Sunday at the Daly home on Sears Avenue. Games were played after which the group enjoyed a vitamin roast and homemade ice cream.

Attending were Debbie and Angie Norris, Joyce Duplantis,

In Saturday's mail I received a form letter from a very nice lady, Mrs. Joseph Schaff who is membership chairman for the Hancock County Retarded children's Assn. Memberships are only \$4 a year, and for a donation of \$25 you can become a life time member. Their slogan "Help others to help themselves" fully explains the purpose of this group. So do as I did. Send in your donation now and also offer your services for such a wonderful organization.

Gulfview School's annual Halloween party will be held Wednesday evening Oct. 31, starting at 6 p.m. in the school gym. Donations of white cloths, plants, cakes, pies, and soft drinks are needed. If you have a donation call me and I will come by and pick it up. This party keeps the children off the streets and cuts down on vandalism. So help if you can.

## Judicial power

In our opinion there is a mistaken view in this country on the omnipotence of the judiciary, particularly the federal. We even think that most judges and justices, not to mention JPs, have this view.

There is nothing in the Constitution of the United States of America that gives a judicial body powers to interpret the law to an extent more than given the chief executive or the Congress. In fact the Congress can impeach and find guilty those in the other two branches of the government.

Basically the concept stems from the decision in Marbury vs. Madison (1803), decided with the majority opinion written by Chief Justice John Marshall, holding a statute of the United States unconstitutional. Mr. Chief Justice Marshall, because of his period as Secretary of State, was personally involved in the case, but since his political opponent, Mr. Thomas Jefferson, was President of our country, and Mr. James Madison was the official defendant, succeeding Mr. Marshall, with the court's ruling favored them and they could do nothing. Good political chicanery!

This novel idea, so far as the States were concerned, was followed in Martin vs. Hunter's Lessee in 1816.

Let's see what happened after that: first, President Andrew Jackson, certainly remembered in these parts, in 1832 told the U. S. Supreme Court "You've made the law, now you enforce it." It was never enforced.

In Commonwealth vs. Dennis, 1860, the Supreme Court ruled a governor of a State to have acted unconstitutionally and to be continuing to act unconstitutionally. But he didn't get a penny of fine, the court saying they were without authority. What about Governor Ross Barnett of Mississippi?

Coming up to date, President Franklin Roosevelt with the threat of adding additional judges to the court forced a reversal in their decisions. In the 40's the same court within one year reversed themselves, and now have granted certiorari (reconsideration) to a bible reading and Lord's prayer ruling they only made a few weeks ago.

If the Supreme Court of these United States rules are the law of the land, we suggest that two things must be done; first, the justices must make up their minds, and two, tradition of less than 150 years doesn't count since double that didn't count in Mississippi.

## Fine cause

## On HGH, Oxford, etc. Our readers write

Editor, Sea Coast Echo:  
I read your paper every week and admire it.  
In your issue of Sept. 27 you seem to accept the idea that the Supreme Court's decision in the "school cases" in 1954, is the law of our land.  
Many, many thousands of good citizens feel that said decision violated the Constitution of our Country, and opened the way for other violations and, therefore, that Governor Barnett and Lieutenant-Governor Johnson are keeping their oaths while Federal Judges have forgotten theirs. A few may think the action of our officials, while courageous, has been quixotic rather than practical, but it has been in line with their sworn duty and its ultimate effect, come what may, will certainly be good.  
Yours respectfully,  
W. M. DRAKE  
Church Hill

(EDITOR'S NOTE: We believe our friend, Mr. Drake, misunderstood us and suggest all read this week's lead editorial on our judiciary.)  
useful citizens of them. This has been proved over and over again.  
Right now Hancock County's unit is seeking additional voluntary help as well as enough financial help to hold school for these unfortunate five days a week. Only four dollars a year entitles you to membership in this worthy organization with meeting nights the fourth Thursday each month.

## Rural electrification needs are greater than ever!

After dark, Mississippi twinkles like a vast upside-down sky. These pinpoints of light locate rural homes, farms, schools, industries, and churches. Poultry houses, dairy barns, factories and shops all use the electricity which has transformed so many areas of Mississippi from an era of poverty to one of prosperity.

Across the land there are nearly 1,000 Electric Power Associations serving 17 million people. In Mississippi 26 of these locally owned, locally controlled Associations serve nearly a million people. It comes as a surprise to many however, that one of the biggest jobs of rural electrification still lies ahead.

Rural Americans use four to five times more electricity than was ever anticipated in the beginning. And by current trends, they'll need four times their present power by 1972.

Preparing for this big growth may require larger investments than building original lines. It calls for bigger poles, larger wire, heavier transformers, and more electric power.

Local member-owners of Electric Power Associations may need additional loans to meet this healthy growth, but they're A-O-K borrowers. Throughout the land they've already paid back \$1 1/2 billion in principal and interest on loans of \$3 1/2 billion.

In Mississippi they're ahead of schedule in repaying their loans, and they intend to stay that way. Rural Mississippians know that electricity has been the most important single element in the change from poverty to prosperity.

### At Waveland

'Tis another of those glorious days recalling lines from a poem almost everyone was forced to memorize in grammar school—something about "October's bright blue weather"—marred only by another mosquito invasion—it appears the blood thirsty pests retreated instead of disappearing—smashing strength for a stronger attack—anyway, they aren't all that bad—at least not bad enough to allow us to enjoy the confinement of these four anemic avocado green walls. . . everyone passing appears so cheerful we decided on a way to mar their bliss—a little research on our trusty calendar brings forth the fact that there are exactly 75 days until Christmas—which means you have only 66 remaining shopping days—now, if there's anyone who isn't too absolutely furious at me to continue reading, here's the latest report on comings and goings of local residents.

Dr. and Mrs. John Hicks arrived home late Sunday after a fabulous vacation in San Diego, Calif., where they visited son John and family—they spent a month enjoying the sights, taking in major league ball games and the like returning through Dr. Hicks' hometown, Natchez.

### On the sick list

Got well wishes go to Joe Connor who's a patient in Hancock General and well on the road to recovery after undergoing surgery last Wednesday—to little Lisa Ann Bordages, who amazed family and hospital personnel alike by her ideal hospital behavior—Lisa had an operation on an abscess on her neck early Friday morning and shed not one tear—her only comment on the pointed to the enormous bandage "big bo-ho!" Mamma Grace gets happy birthday greetings—the didn't exactly celebrate the event on the night of Oct. 5 with Lisa in Hancock General—and this isn't a Jack Benny—the's really 39! Greetings also to tiny Bert Lohmer, Jr., the two one-year-old Saturday.

Margie and Charlie Hammond and children of Baton Rouge were Garri and Sam Blanchard's weekend guests.

Jean Longo's name may be added to our ever growing list of ladies-in-waiting.

### Bay side of the news

Surgical patients are apparently getting younger and younger—Little Guy Edward Bufkin had his first operation last Saturday at Outport Memorial—he's not quite six months old, but took the event in stride. Toddle and Lawrence Jacob enjoyed their first visit with car Larry since his entrance into the seminary at Thibodaux, La. Rev. Owen Patton, minister of Cedar Point Baptist Church, Mrs. Patton and their six children are now permanent residents, making their home two blocks off of Old Spanish Trail.

Fish are obviously biting in the Bay—Charles Hays caught six large catfish, one weighing over 9 pounds, another eight 15 white trout and some mullets off the tall bridge Monday morning.

Mr. and Mrs. Roy Fayard who recently moved into a home on Fourth Street off Waveland Avenue are expecting their first child next month. Mr. Fayard, an international hair stylist has opened the Style Beauty Salon on Coleman Avenue next to Pine Burr Restaurant—he previously operated a beauty salon in Biloxi for ten years.

Dashing in last week for a chivalrous visit divided between Julie

and Larry Maudrey and the Powell Glass, Jr., was former Echo reporter, Robin Green, Robin, glamorous as ever, is now working for a Toledo, Ohio, paper.

### New writer in our midst

Waveland may now boast of yet another author—Mrs. Jeanette Argadas of Hillcrest Avenue who penned The Last Days of Oak Lane Plantation under the pen name of Ann LeBranche. Our private book reviewer reports the historical novel very well written and interesting. Anyone seeking a first edition can find it at Brewster's.

Elsie Davis hosted a birthday party for Grace Bordages (which as we've already explicated she was unable to attend)—toasting her health in absence were Belle and Charlie Peterson and Ray Bordages.

A number of weekenders sprayed on insect repellent and brewed the mosquitoes—among those were Pat and John Cohen, Shirley and Ed Hawkins, the C. M. Hutchinsons, Richard Hagmas, Claude Dukes, Louis Mottos, John Moores, etc., etc.

### Mystery of the week

Who is the attractive blonde mother still blushing as the result of one of her teen-age daughter's pranks??? The lady was reading notes aloud at a meeting last week and at the same time wondering why her audience was so amused when her subject wasn't in the least bit humorous; only to discover that the notebook, appropriately decorated with a religious picture on the front cover was brightly embellished with a picture of Lucifer on the back! A bright red sample of daughter's artistic talent! BAY MYSTERY—What eligible journey was kept more than a bit busy last week acquiring an attractive out-of-town visitor here and there?

### On the sports front

Attention flounders—if Daisy doesn't interfere before we go to press, the flounders are in again—Mickey Graham speared 87 headless last Thursday night. As for hunting, just about everything will be in season by the end of the month including a brief opportunity to bag a deer IF you're an accomplished archer. . . wonder how many local Robin Hoods are around our area?

Mr. and Mrs. Fred Gerstner didn't disappoint us—they arrived at Gerstner's Villa Friday night, returning to their Crescent City home Sunday afternoon after hunting at Leland's.

Dr. and Mrs. J. L. Locascio also arrived for their bi-monthly weekend visit to 118 Beach Blvd., most disappointed to discover their two Echoes missing from their mail box—this is the second such instance in recent weeks when subscribers have driven over from New Orleans and found the papers gone—obviously someone is "borrowing" the papers, must read some—so we'll offer to buy anyone a copy—just come to the office and ask, but please keep your cotton-pickin' fingers off of other people's papers!

## Daughters give birthday party for Mrs. Corr

Mrs. Otto Bourgoin and Mrs. Roy L. Brignac honored their mother, Mrs. O. T. Corr, at a surprise party on the occasion of her birthday Saturday, at the Vacation Lane home of Mr. and Mrs. Bourgoin.

Enjoying ice cream, cake and punch were her grandchildren,

behavior inevitably leads to worse—so when you wave farewell as your son or daughter is headed away in handcuffs in the next seven or eight years, it will be too late for tears!

Our travelling sea-borne friend Rev. Bertrand Eckert will arrive home soon after his most recent cruise which took him to parts in Hawaii, the Bahamas and other exotic tropical islands.

Denny, Mike, Leslie and Jeanie Brignac of Baton Rouge, Bill Corr, Jr., Otto, Jr., and Guy Bourgoin Mr. and Mrs. John Cello and daughter, Marilyn, of Biloxi, Robert and Gerald Corr, Mrs. Gladys Numan, Miss Numan Senior and Tennyson Kari, Messers, and Messrs. SIGHTS AND SOUNDS ALONG THE WAY - A covey of quail placidly strolling around Waveland Baptist Church. This wary game certainly knows where to go when the season opens—the brown look of the landscape as leaves begin to assume autumn hues and goldenrod bursts forth in a blaze of yellow glory and the crackling sound of a falling tree as more land is cleared to make way for a barrage of hammering as another new house begins to take shape.

# Auxiliary scholar aid plan is told

A brief talk on the American Legion auxiliary's education and scholarship program was given by Mrs. John D. Rutherford, Jr., at the group's meeting Monday night, at the Legion home. She explained each unit is assessed \$6 per year enabling the state organization to award two scholarships a year to orphans.

Mrs. Lena Cuevas, Veterans Christmas gift shop chairman, reported donations coming in slowly, adding that cooperation of all members is needed as \$20 gifts are required for this, the club's largest project of the year.

Mrs. John Sharp and Mrs. E. J. Redick, newcomers to the coast, were introduced as new members. Mrs. Redick is a post president of the auxiliary in San Diego, Calif.

Mrs. John Wilkerson announced that tickets for the annual Harvest Ball to be held Oct. 20, have been sent out. Proceeds from the dance will benefit the Veterans Christmas gift shop.

A covered dish supper for members has been planned for the November meeting to celebrate the 10th birthday of the organization. Junior Auxiliary chairman, Mrs. Rutherford, stated that Little Miss Poppy will be chosen at the next meeting of the Juniors, Oct. 18.

Hostesses Mesdames Cervo and Ed Virgilio served refreshments.

STANISLAUS' BAND MAJORETTES PERFORM WITH HALF TIME SHOW

## BHS grinds to slow win over Red Rebels

The Bay High Tigers won their fourth straight game Friday night at Long Beach, whipping Harrison Central 20-0 although the score was no indication of how hard the victory came to Coach Lance Lumpkin's boys. The win upped Bay High's Gulf Coast Conference record to 3-0 and the Tigers enter this week's big game with Long Beach hoping to remain the biggest threat to Ocean Springs for the loop championship.

Bay High, with Long Beach players and coaches watching every play, showed no surprises but stuck strictly to a slow-moving game with little passing. The Tigers scored single touchdowns in the second, third, and fourth quarters.

The Bay squad could only make seven yards from scrimmage in the opening period, but got a break early in the second quarter recovering a fumble on the Red Rebel 14. In three carries, halfback Don Saucier hit paydirt, and fullback Stanley Burch pushed across for the PAT.

A few minutes later Bay High took the ball on their own 40 and started a drive which ended on the Rebel 23. Saucier actually scored from 9 yards out but a penalty nullified the gain and after the Tigers had picked up a first down at the 12 Harrison Central's defenses dug in and stopped the threat, snoring quarterback Leroy Luke under on fourth down for an 11 yard loss.

Bay High added to their margin in the second half, taking the kickoff and marching 58 yards in 14 plays. Saucier carrying six times. After moving to the one foot line, it took Bay High three plays to drive across. Fullback Burch and quarterback Johnny Penton were stopped cold on the first two attempts, but Saucier finally dove in for six points. Penton passed to end Teddo Thomas for the PAT.

Central's fine quarterback, Jerry Wilson, took to the airways following the second Bay High score, completing a 36 yarder to the Tiger 39. The Rebel drove for another first down at the 27, and although Wilson was caught behind the line twice in a row, Bay High on third down was gully of pass interference giving Central an automatic first down. Wilson then threw again complete to the Tiger three. On first down the ball was moved to the one, but the Tiger's line dug in and the drive was halted at the one-inch line.

A Teddo Thomas interception at the Tiger 34 started the Bay High final TD march. Going 66 yards in four plays, Bay High lead the contest. Saucier raced 26

yards, fullback Stanley Burch 24, a personal foul added 15 more, and Burch plunged over from two yards out for the score. The PAT failed.

Harrison Central again drove deep into Bay High territory only to be stopped short late in the game.

Unofficially, Bay High picked up 170 yards rushing and were 0-2 passing although one extra point pass was complete. The

Rebo could muster only 35 yards rushing in 33 plays, but added 73 passing yards with 3-9 completions. Bay High intercepted two passes, Central one. The Tigers scored 11 first downs and the Rebo five. Saucier was the individual rushing leader with 93 yards in 16 carries. In half as many plays Burch gained exactly half as many yards, both averaging the same. Penton gained 20 in five carries, Compton 14 in seven, and Breland three in two for Lumpkin's charges.

Defensively the entire line played well, with Bill Pahlman, Davey Smith, Teddo Thomas, Billy Thomas, Jimmy Rutherford, Al Ladner, Frank Miller, Jerry Thomas, and Don Everett all doing a good job.

## PROFITS

## BUILT AMERICA...

But it usually takes a business slump or market crash to make us realize fully how essential profits are to progress and prosperity.

Businessmen reckon with two kinds of profits: Profits before taxes and profits after taxes. And taxes take a big bite. Corporate profits, after taxes, have shrunk in 15 years from a level of nine per cent of our total national income to less than five and one-half per cent. Corporations that earned better than five per cent on their sales a few years ago, are in 1962 striving to make three per cent. Taxes and wages have increased while profits have decreased.

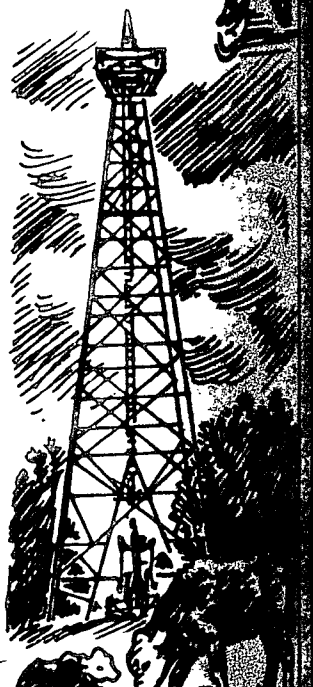

An industry expands to provide added payrolls or to improve its product by plowing back into the business a portion of its profits or by borrowing the profits someone else has saved to invest.

The average investment in plants and tools or machines for one job is about \$20,000. The Mississippi Power Company has over \$160,000 invested per employee.

Capital comes from savings and savings from profits, and the investor who has risked his savings to produce more goods and services and to create more jobs is entitled to a return on his investment. Industry, the investor and the laborer are all worthy of their hire.

Profits provide the cornerstone of our economy; they represent the core of our private enterprise system. Profits produce capital, capital provides the tools, and tools put men to work. There must be profits if Mississippi and the nation are to go forward.

## Victory eludes Hawks

Hancock North Central, coming closer and closer to finally winning a football game, battled VanCleave to a scoreless stalemate for three quarters Friday night, only to fall 14-0 when the Bulldogs pushed across two final-period touchdowns.

Cochs Edzell Lee's Hawks were shut out for the first time this year in dropping five decisions, but drove deep into VanCleave territory two times only to be stopped. The Hawks had one touchdown called back because of a penalty, and with the ball on the VanCleave four-yard line on a second drive, a 13-yard foul halted another scoring attempt.

Quarterback Kenny Randall set up both threats, according to Coach Lee, throwing long passes to end Jerry Nacales and Ben Lin Lechner. The North Central offense was evenly balanced between rushing and passing. Defensively, North Central kept the Bulldogs well in check through most of the game, but a switch from the T-formation to the single wing resulted in VanCleave's scoring the game-winning points. Bobby Clapp, formerly of Boy St. Louis to the Bulldogs coach.

The Hawks came out of the contest with several injuries. Halfback Jimmy Smith, fullback Junior Nacales, and tackle Gerald Page all were hurt in the contest, and Lee said it wasn't known whether or not they'd see any action at all this week when North Central returns to Gulf Coast Conference play at Long Beach against the Harrison Central Red Rebels.

A homecoming date has been announced for 1962, the first year the school has played football on its home field. It will be Nov. 2, against Kern School.

## Loiacano aids Maroon upset

Mississippi State upset a good Tennessee football team 7-6 in Memphis Saturday afternoon, with Bay St. Louis' J. B. Loiacano among the game stars.

Loiacano, seeing action in the first two Maroon games, chiefly as a defensive linebacker, played a fine game at that position and also made a couple of nice runs. The State team scored its TD in the third quarter on a 23-yard drive. Loiacano got four of the yards and on important first downs on the Vol 12 on one carry, and took the ball again on the drive.

## Notre Dame is next foe

## 30 seconds spell misery for Rocks

St. Stanislaus' Rockchewers, who have won 19-0 over St. Martin's, St. Stanislaus now points toward this week's big game with Notre Dame. The Rocks play but one conference game, as the league's football competition is between only three teams, and a win would automatically give St. Stanislaus a tie for the title, no matter how the rest of the season winds up.

Notre Dame is favored although they sport only a 2-3 record. The Rebels won from Ocean Springs, leader of the Gulf Coast Conference, by a touchdown, and also downed Catholic High of Pascagoula. Losses were to St. Alexander of Vicksburg, the MCO's third grid member, Hattiesburg, and OLV of Pascagoula.

## 4 run for Jones homecoming queen, game set Nov. 3

News of the four candidates for homecoming queen at Volcan G. Jones School were announced this week by Coach Willie Bradley.

Seeking reign over the festivities at 2 p.m. Saturday, Nov. 3, at St. Stanislaus Stadium are Anna Marie Haynes, ninth grader; Mary Dejean, 10th grader; Martha Duray, 11th, and Annabelle Spears, 12th.

Ocean Springs will be the homecoming site for the football squad.

The local school has to finish straight game Saturday afternoon when Poplarville dropped them 19-0 in a game played in the Pearl River city. Bradley listed Cleveland Williams, William Singleton, Leroy Hanes and Albert Mullins as outstanding players for the Tigers while Robert Mullins and Martin Collins played well in the backfield.

Jones travels to Lumbia, La., Friday night as homecoming opponent for that school.

**WHAT IS AN INTERNIST?**  
Answer - A physician specializing in the diagnosis and treatment of disorders affecting the inside of the body. Sometimes the symptoms of an illness can be almost the same for different diseases. Then, your family Doctor may wish the opinion of an Internist to confirm or help him make the proper diagnosis.  
This help often saves much sickness-time. It illustrates why it is seldom wise for people to attempt to diagnose or treat themselves. You are safer when you consult your physician.
